INSTRUCTIONS:

Include a printed copy of this form with your samples. A separate testing application should be completed for each style. If you are only submitting documentation, please email a copy and your app ID to the Customer Relations email address for the specific testing location, noted above.

The UL Solutions report is governed by, and incorporates by reference, the Terms and Conditions of Testing appearing on our website <http://www.consumertesting.com/> and is intended for your exclusive use. Any copying or replication of the UL Solutions report or disclosure of test results to or for any other person or entity, and any use of our name and/or seal is strictly prohibited without our prior written authorization. The UL Solutions report sets forth our findings with respect to the individual sample(s) tested only. UL Solutions's liability shall not exceed the fees paid for the testing reflected on this report.

By submitting this application, you understand that we may perform the requested services at one or more of our facilities owned or operated by UL Solutions Inc. or its affiliates.

Decision Rule: the declaration of conformity is given not taking into account the measurement uncertainty.

Level of risk associated with the Decision Rule: The results issue by UL Solutions does not take in consideration the measurement uncertainty, but when the value is close to the limit, the test, if repeated by another laboratory, can give a different result.
